Commissioner Statement – Please state in under 200 words, what particular experience and qualifications you can offer the University Area Commission. Include information about your issues, concerns, goals for neighborhood, personal information, etc. *This section will be limited to 200 words.*

I am a recently retired Principal from Columbus City Schools having served in and with many communities of our city. I am also a decades long resident of Weinland Park and have been a proud home owner on Hamlet Street since 1999.

I believe that our neighborhood should be represented by a person that envisions a balance between growth and historical preservation, and green-space and development.

I would be honored to represent District 3 in the preservation of green-spaces and historical homes, as well as helping guide changes to our infrastructure and modes of transit as our neighborhood and city continue to grow.

UAC Committees/Positions –If a current or past commissioner, please list the committees that you serve on and any positions you hold or have held in the past with UAC.

Community Involvement/Education/Occupation – Provide a list of community activities, positions in other groups, educational background, etc.

As a graduate from The Ohio State University, I became a teacher and then principal for Columbus City Schools where I served our children and communities beginning at 2nd Avenue E.S. and finally on the Southside at Watkins E.S. During that time I built many working relationships with constituencies from faith based to corporate, from United Way to Nationwide Children's Hospital, but most importantly I built and nurtured relationships with parents and neighbors of the schools where I served either as a teacher or principal.

I authorize the University Area Commission to post this biographical sketch on their website, located at <https://www.universityarea.org/>.
